

## FIXED SPRINKLER HEADS

Fixed heads are immovable obstructions; relief from interference by them may be obtained under Rule 24-2. If such an obstruction on or within two club-lengths of the putting green of the hole being played intervenes on line of play between ball and hole, relief may be obtained without penalty, as follows:

If the ball lies off the putting green but not in a hazard and is within two club-lengths of the intervening obstruction, it may be lifted, cleaned and dropped at the nearest point to where the ball originally lay which a) is not nearer the hole, b) avoids such intervention and c) is not in a hazard or on a putting green.
