# EXTRAS

### ADD THAT PERSONAL TOUCH TO YOUR GOLF DAY

Your golf day is special, so why not add that personal touch that will set you apart from all other golf days. Please see below some exciting additional extras, that you can add to give your golf day the WOW factor!

#### GOLF GENIUS SOFTWARE

Live on course scoring to keep all players up to date with how everyone else is doing. They can also see where they are on the Leaderboard at any time making for an exciting finish. All scores will also run live in the clubhouse meaning players who are finished can see how their friends are doing coming down 18.

<https://www.golfgenius.com/golfgenius>

From just £3 per player

#### TRACKMAN

Trackman, as used by all leading players of the world shows you just how far your ball has travelled, shot shape, swing path etc at the touch of a button. It can also video all of your guests swings and email them back prior to finishing your round. A lovely touch to remind you of your day out with us at The Carrick on Loch Lomond.

<https://trackmangolf.com/>

£200 for one of our PGA Professionals to man and provide on the tee tips and video feedback

#### PATTERSON GOLF

For all your bespoke crested items we use local company Patterson Golf. Click the link below to browse the offering and email your club contact at the Carrick to receive a quote for your golf day items

<https://www.patersongolf.com/>

#### TACIT

Looking to add company advertising to your golf day then click the link below to browse all on course branded offerings that Tacit can provide from tee signage to pin flags etc. Simply drop your wish list to your club contact and we will provide you a quote.
